Shipment of Hospital Beds to Sri Lanka
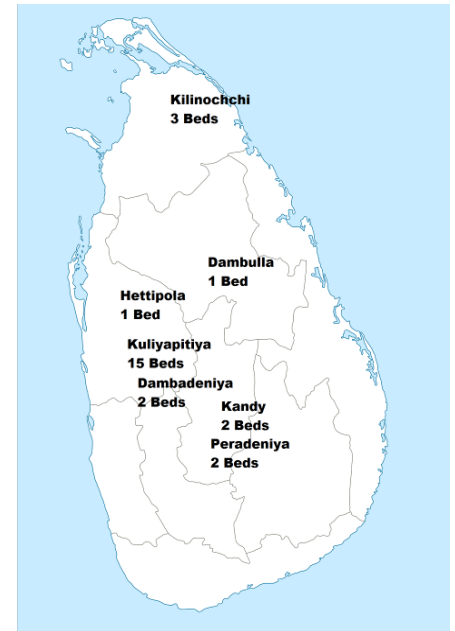

In June 2015, Lak Saviya Foundation Australia shipped a 20 foot container from Sydney to Sri Lanka, with 26 electrical hospital beds in good operating condition, 29 walking frames with wheels, and some other equipment, at a cost of A$ 4,570.

These items were donated free of charge, by the Anglican Retirement Village, Castle Hill, New South Wales, Australia. The shipment was cleared, transported, and distributed by Rotary Club, Kuliyapitiya, Sri Lanka.

The 26 beds were distributed to 7 hospitals as shown in the map. Walking frames and other equipment were distributed to some of these hospitals, an elders' home and a welfare society.

Used Laptops to Lak Aruna Foundation

Two of the students who received the laptops

The Information Systems Department of BOC Ltd donated 7 used laptops to Lak Saviya Foundation in June 2015.

Five of these laptops were given to Lak Aruna Foundation's IT Education Centre in the remote village of Higurukaduwa, Passara, Uva Province. The other two will be given to Kahawa Ratanasara Maha Vidyalaya, a school Lak Saviya Foundation has been assisting since 2005 through funds received from Sydney Boys High School.

Charity Dinner 2015

Lak Saviya Foundation's Charity Dinner 2015, held on 23rd May 2015 at Roselea Community Centre was a huge success, attended by over 600 guests and raising A$11,871 in net profit. As in the previous seven years, the untiring effort of over 100 volunteers was the key to success of this event.

Funds raised will be utilized for ongoing projects, as well as for projects currently under planning.
